The charity was formed in 2011 with the sole purpose of providing financial support for English Alive Academy. The Charity is governed by a Board of Trustees and is fully staffed by unpaid volunteers ensuring that 100% of all the donations received are passed to English Alive Academy in Ethiopia.

English Alive Charity receives donations from a variety of sources within the UK, USA and from other countries. Wherever possible, it reclaims income tax on donations and passes 100% of the funds to English Alive Academy.

English Alive Academy is a not for profit organization registered as a private school in Nazret, Ethiopia. Formed in 2004, it is managed by a Board of Governors with additional support from the Parent Teacher Associations. The Academy currently operates from 3 sites in Nazret.

The schools provide subsidized education for poor children living in the area. A local council, called the Kebele, independently determines the allocation of fully and partially subsidized places based on financial needs. The schools provide fully subsidized education to children in cases of severe hardship. Partial subsidies are provided to many children whose families are unable to fully support them. Administrative costs are kept to an absolute minimum ensuring that the schools financial resources are focused on delivering education that is so badly needed.
